

Brighton Carnival Best Small Band Award

2008 – Brighton Housing Trust with Sandrine Case
2009 -you!

Congratulations for winning this award! You get to look after me and show me off for a year until next Brighton Carnival, 2010. I am made of plaster so I need a little care... and keep me out of the sunshine, otherwise I might fade! Other than that, well done and enjoy the glory that is yours. Someone from Brighton Carnival will contact you around June next year, and arrange to pick me up ready for 2010 winners. Would you present me on stage next year please?
