TREASURERS REPORT ON ACCOUNTS FOR 2004

"In the year to 31st December 2004, we attracted grant income of £3,000 from the Blatchington Court Trust and £200 from St George's Church. We raised £230 from a sponsored swimming event in collaboration with the Saltdean and Rottingdean Lions. We charged our members £980 towards our activities and with subscription and miscellaneous income, the total income was over £5,000.

The income was closely matched by expenditure for the year. The main expenditure was £3,850 on activities, the key events being regular and well attended Goalball sessions (costing £1,670 over the year), large membership attendance of 2 pantomimes (£400), the purchase of a tandem (£780) and supporting a varied programme of over 25 events in the year ranging from trips to museums (Amberley and Singleton), pub quiz evenings, and meals out.

The Management Committee recommended and the AGM approved a budget for 2005 that aims to sustain the activity levels for 2004, and that requires attracting additional grant income in the year. In keeping with our Equal Opportunities commitment we strongly wish to extend membership from other cultural groups within Brighton and Hove and seek to use grant funding to make those links and offer such opportunities.
