

ANYONE FOR BLINDFOLD TENNIS?

City Synergy is a Brighton based group of people with sight loss (blind and vision impaired). We are looking for volunteers to continue and expand our programme of activities.

We will reimburse expenses, provide sight awareness training, organise a CRB check and can provide references for future employers. We ask you to let us know in advance which events you can attend and help at. Our current programme includes theatre trips, restaurant visits, health walks. And, yes, we are planning a session of blind tennis.

People with sight loss can do pretty much anything with the right support. Our members are aged mid 20s to mid 80s. We are looking for volunteers from 18 years upwards. We welcome new people and new ideas.
